

HUMAN RESOURCES POLICY MANUAL

Fineweld Systems, Nagpur.

April 2025

PREFACE

In consonance with the Vision of transforming Industry with Experience and Innovation, we recognize our Team Members are our biggest asset. To assist and facilitate transparency, it is imperative to institutionalize processes across all functions and hierarchies which are accessible to all.

The issuance of this first Human Resource Manual is the attempt to bring transparency in all that touches our daily life at our workplace and thus help us synchronize what is expected of us with what we expect of the system.

This HR Manual is the first building block of this journey. This HR Manual provides all information and guidelines but is not a contract and the information contained herein is not to be considered contractual promises.

The Policies laid down in the Manual are effective from today and replaces all previous instructions. The Management reserves the right to modify the provisions of this manual as and when required.

OBJECTIVE OF HR POLICY MANUAL

The Objective of the Human Resource policy manual is to provide support its Team Members through:

- Continuity and consistency of Service.
- Better Communication, Internal & External, in the Group.
- Enhancing Orientation & Focus.
- Mentoring reference.
- Improvement of in-house customer services on time.

Development is an ongoing process and it is so for our Customer Generation too. The attempt of putting together this First HR Policy Manual is part of this initiative keeping in perspective the size that we have grown to with the Vision of ZERO GRIEVANCE .

The Privileges and Amenities mentioned in the Manual are the current set and obviously will undergo changes as we progress in our journey.

CORPORATE PHILOSOPHY

1. **Managerial Ethics:** - Our business ethics are based on Integrity and Commitment towards achieving organizational goals. Our code of ethics is enshrined in the values of good Humanity and Governance.

EMPLOYMENT PRACTICE

OBJECTIVE:

To create clear and transparent work norms consistent with international working standards.

OPERATING AUTHORITY:

HR Department

OPERATING PROCESS:

Standard Working Hours: Monday to Saturday: - 09.30 am to 6.30 pm (ALL Locations)

Members at Client Locations

Team Members are expected to adhere to the standard working hours established by the client. These hours will be communicated to each Team Members upon the commencement of the project and are subject to change based on client / Project requirements.

Attendance and Punctuality: - This policy applies to all.

Timely and regular attendance is an expectation of performance for all Team Members. This policy details show Team Members will be held accountable for adhering to their workplace schedule to ensure adequate staffing, positive Team Members morale, and to meet expected productivity standards throughout the organization.

1. Recording of attendance in PagaarBook people portal / **Punch-In and Punch-Out is compulsory every day**, for any Team Member while entering or leaving the office premises.
2. Any outdoor duty should be recorded and informed to the Team leader and HR Department with written updates on, official email id.
3. Team Members going out of office in office hours should apply for half day for personal work during the office hours and have to inform Team Manager as well as the HR Department about their schedule before going and after coming

back through email. This is Mandatory for all. (This policy is available twice a month if the work reason is personal.)

4. **Team Member working on off days (Sundays or Holidays)** also have to do PagaarBook (Check In) punching and also inform to their respective Team Leads / managers and HR Department regarding the same, the team Lead Manager has to approve it without which Applicant would not be **eligible for the entitlement applicable for on off days. But, to avail benefit of compensatory off** against the working on off days the hour of work should not be less than 4.00 hours.

Late Mark: -

Every 4th Late mark in a month will deduct 1 day leave, in case there is no leave balance it would be considered as LWP – Leave Without Pay (No Excuses will be entertained).

Leave Policy: -

Leaves Availability and Applicability

1. The Leave policy applies to all confirmed or permanent Team Members of the company.
2. Leave is not a matter of right. Sanctioning of leave is at the company's discretion.
3. No leave will be credited or sanctioned during the notice period or internship period so all leave during such period is compulsory LWP (Leave Without Pay).
4. After completion of the internship / training period Team Members **can avail 1 sick and 1 Casual leave per month** till the completion of their probation period.
5. Leave must be planned and intimated in advance through mail and PagaarBook people portal so that it does not affect the day-to-day work.

Leave Approval Policy: -

For availing paid leaves every team member has to approve their **pre-planned** or compulsory leave in – person at least a **minimum of 24 hours i.e.,** day before from the below heads of the respective departments (office/Associated Office) after prior discussion with their team leads and needs to communicate the same to the CEO, HR and officially through the mail, failing to which the leave should be considered as LWP. Also please note that the **same day leave application is only acceptable in case of a medical emergency or an unavoidable situation.**

This is Mandatory and Applicable for all.

Types of Leaves: -

1. **Casual Leave (CL)-12**
2. **Sick Leave (SL)-12**
3. **Leave Without Pay (LWP)**
4. **Leave Without Permission (LWPR)**
5. **Compensatory Leave against Sunday / Holiday Working, Leave**

All leave accounts are calculated from 1st April to 31st March every year.

Casual Leave (CL): -

All Team Members who have completed the Probation Period successfully are eligible to avail of casual Leaves. 12 days of casual Leaves are available in the calendar year credited at the rate of 1 day per month. Team Members can avail of casual Leave for any Medical emergency in fa/ personal reason / other valid reasons. At a stretch, a maximum of 4 days of casual leave can be availed in a quarter.

Sick Leave (SL):- All Team Members who have completed the Probation Period successfully are eligible to avail of Sick Leaves. 12 days of sick Leaves are available in the calendar year credited at the rate of 1 day per month. Employees need to provide a medical certificate from a registered doctor, especially for longer absences (e.g., 3 or more consecutive days).

Leave Without Pay (LWP)

Leave applied by a Team Members who has not completed the training or probation period or leaves taken without prior approval will be considered as LWP. LWP sanction depends on the workload. (Depends on Team Leader / Management Concern)

Absence from Duty (Leave Without Permission – LWPR): -

If a Team Members remains absent without any written / email intimation the leave will be treated under LWPR – Leave Without Permission (With 3 days of leave deduction).

The Team Members has to report to HR Dept. before joining duty with valid reason.

If a Team Members is absent from duty continuously for more than 4 days without any intimation, HR will take administrative action against such an Team Members. If Team

Members is absent for more than 7 days without any intimation, it will be considered that the Team Members has withdrawn his/her service from the company on his own accord and action will be taken accordingly.

Half-Day Leave: -

1. The half-day leave availed should be either the first four hours of the workday or the last four hours of the workday.
2. All Team Members must inform pre-planned Half Day leave through PagaarBook/email to the Team Lead / HR Department.

COMPENSATORY OFF

If a Team Member is required to work on Weekly off / official Holidays / Sunday. He / She is eligible for Compensatory off Leave. His/her Head has to approve such OFF and then this approved application has to be forwarded to HR Dept. through email.

Note: Sunday / Holidays working hours should be minimum of 4.00 hours, to be considered as working day otherwise Team Head or HR shall not approve any on any Sundays / Holidays to avail the benefit.

COMPUTATION OF COMP. OFF

1. On holiday or Weekly Off the compensatory Off will be computed as under
2. Be actually working for a minimum of 4.00 hours on a declared holiday.
3. After working for 4.00 hours or more he/she will be entitled to total period worked for compensatory off.
4. Travelling time, to & from Residence will be excluded, while computing total hours for compensatory Off.

AVAILING OF COMPENSATORY OFF

1. Individuals can avail compensation off only on the basis of its being pre-sanctioned by Supervisor / or CEO or Department HOD.
2. Not more than 3 days compensatory off can be availed at a time in a month.
3. Compensatory OFF should be utilized under 30 working days from the date of application, else the compensatory off will get lapsed or cannot be carry forwarded.

We value the hard work and dedication of our employees, and we recognize that sometimes changes in project assignments are necessary. In such cases, it is important that any accumulated compensatory time off (Comp. Off) is utilized before transitioning to a new project. This ensures a fair and consistent approach to managing workloads and allows for a smooth transition between project.

GENERAL INSTRUCTIONS

1. Compensatory off can be availed only after the official confirmation from the Reporting Manager to the Team Members to work on holiday/ weekend.
2. The Team Members cannot decide to work on a holiday and then seek compensatory off.
3. Reporting Manager requires to intimate a Team Members and mark a copy to HR if any Team Members needs to work on public holiday or weekly off in advance offering his approval for the same with a short justification.
4. HR/OH shall verify Team Members presence on said days by the Pagaar Book people attendance portal. The Reporting Manager will also hold accountable in case records show that a Team Members who was expected to turn up on a holiday did not turn up for work.
5. Supervisors/ or HOD are advised to use their discretion and minimize instances of Compensatory off requirements, this is to enable Team Members to have rest every week from work.
6. If a Team Members is working during weekly off or public holiday needs to work
7. Min of 4.00 hrs. to be considered as working day otherwise Team Head / CEO or HR shall not approve any compensatory off benefit.
8. A Team Members is allowed to earn a maximum of 3 compensatory offs in a month.
9. Validity of compensatory off will be 30 days after which they will expire.
10. Compensatory Off can be sanctioned / rejected depending on the work Emergencies. Due to work emergencies, approving authority Reporting Manager may cancel the sanctioned availed compensatory Off before its starts or even at the later stage.
11. The above rules are subject to amendment or modification by the Management at its sole discretion at any time in future.
12. The HR-Department should ensure the correctness of Compensatory Record maintenance at all the time.
13. In case of any dispute / or any point not touched/ cover under any of the above rules the discussion of the matter – Reporting Manager will be the final.
14. Leave encashment of unused leave from this year can be credited during the first pay cycle of the following year.
15. No leaves will be carry forward to next year.

Maternity Leave: - It shall cover only Married Female Team Members who have completed 180 days of continuous service on the date of availing this leave.

1. This Leave can be availed for restricted to two children with the gap of 1 year.
2. Maternity Leave maximum admissible is 26 WEEKS (180days) with Basic pay of your salary, That Thirteen weeks before and Thirteen weeks after delivery.

3. Maternity Leave cannot be combined with CL or EL, Sick Leaves if having any balance to her credit.

Procedure for Applying Leave: - Check balance leave through the portal and then apply for any pre – planned leave through portal / Email in advance (at least before 24 hours i.e. 1 day). Leave will be sanctioned by the concerned Reporting Manager or from HR. In case of any emergency, the member should inform the HR and reporting Head of the office before 09.30am through email/SMS/ Pagaar Book portal/ call. Leave informed after 09.30 am will be considered LWP. A medical leave of more than 3 days should be supported by relevant proof of the time of re-joining.

Cancellation of Leave: -

Granted leave can be canceled depending on work emergency and Team Members should not avail of canceled leave. A Team Members can also cancel his applied leave & join duty by informing through email / PagaarBook portal.

Reporting to Office after Return from Tour. :- Team Member returning from Tour on working day are allowed come late by 3 hours, if he/she reached after 12am. (3 hours of relaxation is allowed on that specific day as the Team Members is returning from tour after 12Am).

SALARY DATE

Every new joiner will be provided with a salary account by the company 10th day of every month salary would be directly credited into this account. (If its Sunday/holiday on last day of every month salary would be credited within next working days)

Every Team Members shall **“PUNCH IN” and “PUNCH OUT”** his/her attendance through Pagaar Book people portal / biometric / attendance register at the time of entering and leaving the office premises.

At times, emergencies such as severe weather, fires, or power failures can disturb Company operations. The decision to close the office will be made by the Management & HR in consultation with Head of the Department. When the decision is made to close the office, Team Members will receive official notification from HR. The discretion to compensate such loss of man hours wholly or partly will be of the Management & HR in consultation with Head of Department/Immediate Senior.

At Fineweld Systems India Pvt. Ltd., decisions regarding the compensation and total cost to company (CTC) are carefully considered by both the management and the company as a whole. We understand the importance of fair compensation and strive to ensure that our policies reflect our commitment to our employees' well-being.

CODE OF CONDUCT AND DISCIPLINE

OBJECTIVE

To maintain cordial and cohesive relationship with co-Team Members, customer and to maintain ethical dealings with job, organization and society, to show high standard of integrity.

Operating Authority: -

Each individual

1. Code of conduct is compulsory and binding on all Team Members.
2. As part of our commitment to fostering a mutually beneficial work environment, we have established a compulsory probation period of three months (3 Months) for all new employees. This period allows both the employee and the company to assess suitability for the role and ensures a smooth integration into the organization.
3. Non-observation or breach of code of conduct shall make the Team Members liable for disciplinary action leading to imposition of major or minor penalty or with adverse impact on their career including termination/ dismissal.

The salient features of the CODE OF CONDUCT applicable to the Team Members are as under:

1. All the Team Members shall display complete loyalty towards the Organization.
2. All the Team Members shall follow company rules and regulations framed from time to time.
3. All the Team Members shall strictly observe the working hours prescribed.
4. All the Team Members shall follow job instructions given to them by their superiors and achieve their mutually agreed targets.
5. All the Team Members shall be expected to observe strict moral and ethical standards in their work life.
6. The Team Members shall not criticize the company and the company policies at any point of time within or outside the company. If they have any suggestion, they shall be welcomed to route it through proper channel.
7. All the Team Members shall be expected to follow organization hierarchy in accepting orders and giving instructions for work. Refusal to obey the instructions of the superior shall be a serious case of misconduct.
8. All the Team Members shall work in such a way as to ensure complete personal integrity.
9. All the Team Members shall be expected to protect company property and keep the company information confidential wherever required.
10. No Team Members shall accept any part-time or full-time paid job outside the organization.
11. No Team Members shall publish or cause to be published an article written by him or her on any matter relating to the company in any local, national or overseas newspaper, journal or any other publication without the written permission of the management.
12. Such permission shall not be necessary for publication of articles that has no bearing on the affairs of the company and which do not directly or indirectly affect the company and for which no remuneration is given.
13. No Team Members shall neither consume tobacco nor bring alcohol inside the office premises / workplace nor shall he or she enter the office premises /workplace in an alcoholic state after consuming any kind of alcohol/ tobacco/ cigarette

HEALTH & SAFETY POLICY

OBJECTIVE:

FWSIPL has high regards for its Team Members health and general well being.

FWSIPL as an employer understands the need to provide a healthy and wholesome work environment. The company as an employer is eager and all time concerned about both the physical and mental well-being of its Team Members

OPERATING AUTHORITY:

HR Department

OPERATING PROCESS:

Company believes in creating a drug/alcohol free work place. The company does not permit use of alcohol or drug within the company premises.

The Team Members are strictly prohibited from performing/engaging into any official activities under the influence of alcohol/drugs

The Team Members shall not possess use distribute/redistribute any drug/alcohol while in the company premises nor outside the company premises when engaged in any official activity/activities or any business-related work being performed on behalf or for the company.

The term drug also includes any and all substance which cause a person to be in inebriated state of mind and/or cause a person's normal way of action, conduct or thoughts and/or cause person to be unable to perform his work in what so ever manner, which otherwise he would have performed if not in inebriated state of mind.

FWSIPL neither encourages nor discourages people who smoke. But the company requests people who smoke, to smoke outside the company premises and not within the company, so as to avoid any inconvenience to people who are non-smokers.

There is a first aid box available, within the company premises. The first aid box is equipped with minor medicine for attending to any minor injuries, cuts and bruises occurring to the Team Members at the workplace.

The water provided for the Team Members for drinking are checked. And it should be for NON-contamination, purity and minerals contents.

TECHNOLOGY POLICY

OBJECTIVE:

Information is the lifeblood of every organization and, regardless of its source, is a valuable asset. Its accuracy, availability and confidentiality are essential to a business to allow both confidence in decisions based upon it and engender good relationship with associates, company representatives and customers/clients.

The purpose of the FWSIPL Team Members Internet Usage Policy is to ensure that due care is exercised in protecting FWISPL computing systems and related policy. The policies and procedures will be reviewed by the management every year.

OPERATING PROCESS:

A Team Member Internet Usage Policy tries to define the guidelines for using the Internet within an organization. The purposes of adoption of an Internet usage policy are: -

1. Controlling personal use of the Internet by Team Members
2. No personal mail Id login's on official laptop
3. Reducing unproductive Team Members work hours
4. Utilizing bandwidth optimally
5. Avoid watching political debates in office
6. Lessening vulnerability to security threat
7. Reducing sluggish Internet connection due to personal use

Team Members are not allowed to use Company's computer system to download or install illegal or unauthorized programs, software or data. In case it is found that any illegal software has been downloaded in any system, the person operating the particular computer will be held responsible for the lapse and necessary disciplinary action will be initiated against him/her.

Internet messages are public and not private. The Company reserves the right to access and monitor all files and messages on its systems.

All computers should be strictly used for official purposes. Only authorized persons may access the computers. GAMES ARE STRICTLY PROHIBITED. Private diskettes are not allowed to be used on company computers except with granted permission and upon scanning for viruses. Permission must be sought from the IT/OH Manager for borrowing of portable computers equipment or accessories.

We encourage our Team members to enhance their productivity through the use of additional tools or software that can aid in their work. However, we kindly ask that they seek prior permission before implementing any tools or software. This ensures alignment with company standards and policies. Should a team member choose to proceed without prior approval, any associated costs will be their responsibility.

POINTERS

1. Use of public IMs such as Yahoo and MSN is strictly prohibited, unless specified
2. Don't download unnecessary software, songs or videos. These take up significant Internet bandwidth
3. Don't visit objectionable websites containing bad language and pornography. Website access is monitored centrally and anyone found to be doing so would be sent a warning.
4. Avoid sending huge attachments in a e-mail, unless it's official. Also, even if it's official, avoid sending it to a colleague in the same office. If you must send a mail, then save the attachment on the file server and send a plain mail intimating the recipient to pick it up.
5. Don't reply to any spam mail, even if it gives instructions to do so. This will actually confirm your presence to the spammer and you could be spammed even more.
6. Be wary of opening e-mail attachments, unless you're sure that it's from a reliable source, and that you were expecting it. If necessary, call up the sender to check.
7. In case your system is not able to access the network, don't try to tamper with the network settings and cables. Call the support staff instead
8. Trying to access areas that you're not authorized is strictly prohibited, and could have legal implications if you're caught doing it.

IT COMPALIN REGISTRATION

Any complains in regards to IT or the system has to be lodged by sending a mail to OH.

Each mail so raised by the Team Members will be attended by the OH department within stipulated time frame

NO VERBAL COMPLAINS WILL BE ENTERTAINED.

ALL COMPLAINTS PERTAINING TO IT HAS TO BE VIA MAIL ONLY

Device Management and Security Deposit Policy

Introduction

At Fineweld Systems India Pvt. Ltd., We are committed to providing our employees with the necessary tools and technology to perform their jobs efficiently and effectively. In line with this commitment, we offer company-owned devices to eligible employees under the terms outlined in this policy. This document details our Device Management and Security Deposit Policy, including a voluntary opt-in component for a security deposit deduction scheme aimed at ensuring the responsible handling and return of company devices.

Scope:-

This policy applies to all employees of Fineweld Systems, who are eligible to receive company – owned devices, including laptops, mobile phones, Sim Cards, Vehicle and tablets, as part of their job roles.

Policy Details :-

Issuance of Company Devices :-

Eligible employees will be notified by the FWSIPL OH department or Human Resources (HR) regarding the issuance of company devices.

Devices are provided for professional use and must be used in accordance with the Fineweld Systems India Pvt. Ltd., acceptable use policy.

Security Deposit Scheme :-

A security deposit is implemented to ensure the responsible use, maintenance, and return of company devices. This deposit will be fully refundable upon the return of the device in good working condition, as assessed by the IT department.

The security deposit total amount will be Rs. 72,000/- with a monthly deduction of Rs. 2000/- from the employee's salary over 36 months.

Voluntary Opt – In for Existing Device Holders :-

Employees who received company devices before the implementation of this policy will have the option to voluntarily opt into the security deposit scheme.

Opting in is entirely voluntary. Those who choose to opt-in will be subject to the same terms as newly eligible employees, including the security deposit deductions and conditions for refund. To opt-in, employees must fill out the “Device Security Deposit Opt – in form” and submit it to HR/OH within 30 days of policy announcement.

Deduction Details :-

For employees who opt into the security deposit scheme, a monthly deduction of Rs. 2000/- will be made from their salary, clearly itemized as “Device Security Deposit” on their salary slip. Deductions will start in the month following the opt-in and continue for 36 months.

Refund Of Security Deposit :-

The security deposit will be refunded in full within 30 days of the device’s return in good working condition, as determined by the IT/OH department’s assessment.

In the case of damage beyond normal wear and tear or loss of the device, the security deposit will be used to cover the costs of repair or replacement. Any remaining balance will be refunded to the employee.

Exemptions and Adjustments :-

Employees who received devices prior to this policy and do not wish to opt-in will be exempt from the security deposit requirement but encouraged to maintain the device in good condition as per company standards.

Compliance:-

All Employees are expected to comply with this policy as part of their agreement with Fineweld Systems India Pvt. Ltd. Failure to adhere to the policy may result in disciplinary action.

Policy Review and Amendments :-

Fineweld Systems India Pvt. Ltd. Reserves the right to review and amend this policy as necessary. Employees will be notified of any changes in writing.

Acknowledgment :-

All employees participating in the device program must sign an acknowledgement form stating they have read, understood, and agreed to comply with the Device Management and Security Deposit Policy.

Conclusion :-

This policy is designed to facilitate the responsible use of company devices, protecting both the company’s assets and the interests of its employees. Fineweld Systems India Pvt. Ltd., is committed to supporting its employees with the necessary tools for success while ensuring the longevity and integrity of company property.

LOAN AND ADVANCE POLICY

OBJECTIVE :- To impart welfare through providing financial assistance to the employees.
